## MAXIMUM FLEXIBILITY AND MINIMUM INTRUSION

VIMEC DOLCE VITA can be installed either on the internal or external side of the stairs. No obstruction problems on the stairs since footrest, seat and armrests are completely folding. The seat and the footrest close and open together with a single movement. A range of colors for the seat and rail so you can choose the ones that best fit your home furnishings. Only a few simple gestures and the chairlift begins to be familiar.

*Dolce Vita*

The Dolce Vita chairlifts tailor-made rail is suitable for the longest and most difficult staircases.

Vimec twin-tube technology provides stability together with space reductions either on landings and along the stairs development.

We have successfully installed projects with 50-metres guides!
