

Ischia

FOR A SINGLE
FLIGHT OF STAIRS,
EASY AND COMFORTABLE

The Ischia stairlift is the ideal solution to overcome a few steps both inside and outside the house.

Elegant and silent, perfect for moving safely in a great comfort.

Ischia

Ischia frees yourself from thoughts regarding your movements about in the house: you don't need to give up anything, and Ischia doesn't require any special masonry works.

Sit down, fasten your belt and enjoy the soft march of your stairlift in complete relax.

Ischia

WHY GIVING UP TO OLD HABITS?

THE ISCHIA STAIRLIFT IS COMFORTABLE AND EASY TO USE, AND IT HAS A SMALL FOOTPRINT SO...

SERENITY AND PEACE OF MIND AT HOME.

FLEXIBLE AND ELEGANT

Ischia folds easily with the armrests, seat and footrest: it is never an encumbrance for those who have to use the staircase, it is always a pleasure to see it in the context of the house, for its shapes and discreet colors.

COMFORT IS ALSO FOR THE SPACES AROUND YOUR HOME

Moving around the house with no worries? The outdoor version of Ischia is available with dedicated treatments to ensure your mobility on the steps of the ramp in front of the entrance, or on another side of the house.

THE FOOTREST IS COVERED WITH NON-SLIP MATERIAL AND FITTED WITH SAFETY EDGES

REMOTE CONTROL

JOYSTICK IS INTUITIVE AND CONVENIENT
