

HANDS ON LIFTS

Newsletter

Heritage Lifestyle Village

Hands On Lifts completed the final passenger lift for the Heritage Lifestyle Village today. Lift number 7 completed and handed over. This was a great project to be apart of and put our expertise towards installing multiple lifts of different capacities (630kg, 800kg, 1000kg and 1125kg) serving each individual buildings requirements.

NEW AR:IA LIFT

Hands On Lifts introduces the new AR:IA lift. This new cabin design brings a new life to our vertical platform range of products. With it's sleek modern design this new cabin will encapsulate the user in an aura of class with Italian finishes breathing a fresh new life.

Our Inaugural Newsletter

Welcome to our monthly newsletter in which our customers and suppliers can keep up to date with our exciting projects. We are thrilled to be embarking on this project.

Should you wish to subscribe to receive these monthly newsletters please drop an email to accounts@handsonlifts.co.za.

We look forward to sharing our work with you! If you are interested in enquiring about a lift, our sales team would be delighted to share our products with you.
